Supervise the teaching of medical students on third and fourth year
psychiatric clerkships at Rawson-Neal Psychiatric Hospital.

Harmony Healthcare, Las Vegas, NV
Outpatient General Psychiatry, July 2009-December 2016
Medical Director
Harmony Healthcare is a large private outpatient provider of
mental health services in Southern Nevada, operating two
multidisciplinary clinics in Las Vegas and Henderson and
maintaining a network of nearly 200 providers. The role of the
medical director is to ensure the delivery of quality care in a wide
variety of service areas, including individual therapy, group
therapy, intensive outpatient programs, chemical dependence
intensive outpatient programs, detoxification, psychiatric
medication management, mobile response team, utilization

management, and clinical trial recruitment. Supervision of resident physicians and medical students is also provided. Also responsible for quality improvement initiatives and physician recruitment.

RESIDENCY

Harbor-UCLA Medical Center, Torrance, CA

County of Los Angeles, Department of Mental Health

General Psychiatry, 2005-2009

Harbor-UCLA is a 570-bed acute care public teaching facility serving a diverse patient population.

- Gained extensive hands-on experience working in a wide variety of treatment settings, including inpatient wards, outpatient clinics, and a consult-liaison service.
- Took on significant responsibility in making decisions about the care of hospitalized patients, as well as serving as an outpatient psychiatric provider at a County of Los Angeles Department of Mental Health psychiatric clinic. Experienced in working with indigent and uninsured populations.
- Helped to develop policies and procedures to maintain high quality care within state, county, and local budget constraints.
- Extensive experience working in the busiest psychiatric emergency department in Los Angeles County.
- Completed a certification program in Couples Therapy through UCLA.

EDUCATION

Helms Medical Institute, Berkeley, CA

Certificate of Completion, Medical Acupuncture for Physicians Training Program, 2009

Keck School of Medicine, University of Southern California,

Los Angeles, CA

MD, 2005

- Novartis Scholar-in-Training Award and Scholarship, 2003
- Research grant in Hematology, 2002

Claremont McKenna College, Claremont, CA

BA with Honors, Biology-Chemistry, cum laude, 2001

- McKenna Scholar Award for academic merit, 1997-2001

RESEARCH

Harbor-UCLA Medical Center, Department of Psychiatry, 2007-2008

Investigated the role of NMDA neurotransmission in aberrant nociception in patients with borderline personality disorder.

Keck School of Medicine, University of Southern California, 2002-2004

Designed and conducted immunofluorescence assays to study the relationship between the expression of specific Human Herpesvirus 8 genes and Kaposi's Sarcoma tumorigenesis under Parkash Gill, MD.

Beckman Research Institute, City of Hope National Medical Center, 1999-2001

Analyzed patterns of spontaneous and environmental mutagenesis in mice and completed a senior thesis under Steve Sommer, MD, PhD.

Lawrence Livermore National Laboratory, 1997-1999

Designed, fabricated, and tested experimental equipment for use in a plutonium aging study.
